Hi Marcie,

Apparently, there must have been some misunderstanding about funding de-obligations with respect to the subject contract TO. As you can see from Joanne's message below, the site was on recently de-mobilized and there are still outstanding invoices that may need to be paid.

Please let us know what, if any, steps we need to take to rectify this situation.

Thank you for your prompt attention to this matter.

Are they for real????? This site was literally just demobed on August 11 - FOUR DAYS AGO. I haven't reviewed the final 1900's or paid the final invoice yet. What are they thinking???
